Subject: Conversation with Adeeb, Shanta

Rate, Debra 9:35 AM:

Hi ShantaI am planning to set up a quick meeting with Christina Scheltema and Moana Appleyard (optional - since she has no openings on her calendar this week), to discuss tolerance amendments based on IDs. I think it is important that we start the conversation to ensure that PRD does not revise the aldicarb tolerances for orange and grapefruit. Any thoughts contrary or otherwise about this meeting?

Adeeb, Shanta 9:37 AM:

Feel free to set up the meeting. I am still catching up on stuff and do not have that in my head at all

Rate, Debra 9:37 AM:

No worries. I think it Christina is free at 9 am tomorrow. So you will see an invite. Thanks. Debra

Adeeb, Shanta 9:50 AM:

My brain is working now.

Adeeb, Shanta 9:50 AM:

That is SUCHHHHHH a smart idea

Adeeb, Shanta 9:51 AM:

I thought we had a brief discussion with PRD about this but a meeting is 100% needed.

Rate, Debra 9:53 AM:

We talked with Linda and Susan, but they were not the right peeps. While they may have conveyed our message, I would rather make sure we get the conversation started again....after all the work we did to grant the uses.....

Adeeb, Shanta 9:54 AM:

Girllllll

Adeeb, Shanta 9:54 AM:

You are spot on. Like I said before, the branch would fall apart without you.

Rate, Debra 9:55 AM:

Thanks. You and Mike keep it together as well!
